Not by an - y will our own, nor by our right - eous - ness;  
Man - y men have lived and died and nev - er known Your ways;  
Bound - less love and price - less grace a - bundant in sup - ply!

Not for an - y words we'd say nor wealth we might pos - ess;  
We've been giv'n the right to be Your child - ren all our days.  
All that you have done for us de - mands our sure re - ply

For Your glo - ry Fa - ther, to show the world Your grace, You  
Not that we were wor - thy nor an - y less de - praved; We  
We are bowed in sac - ri - fice, our way - ward hearts are still; We

pur - posed to re - deem us from the sin curse of our race.  
too were lost and dead in sin and to its pow'r en - slaved.  
mar - vel at your mer - cy, Lord, and re - vel in Your will!
