1. No more at war with God, I stand in grace, His wrath ap-peased;  
2. A trea-ty of my own I could have nev-er hoped to bring;  
3. But Je-sus Christ him-self has made this peace on my be-half.

His jus-tice ful-ly sat-is-fied, hos-til-i-ties have ceased.  
No strength my own could shield me from the fu-ry of the King.  
His blood has paid sin's pen-al-ty; no more I fear God's wrath.

No frag-ile or un-eas-y truce marks this our con-flict's end;  
For I was the of-fend-er who re-belled and chose to sin,  
O sing the love that bade my sin-ning soul be rec-on-ciled,

All en-mi-ty has been e-rased, my God now calls me "friend!"  
And He the Just A-ven-ger who will eve-ry bat-tle win.  
Though once a re-bel, I've been made the King of Heaven's child!
